ASSISTANT PRINCIPAL**

Dear Parents and Families,

It is with great pleasure that I greet you as the new principal of Maplewood Intermediate School. I have had lots of opportunities to meet members of the community since my appointment, and I must tell you that I am very excited to be here. Maplewood Intermediate School has an excellent reputation for its academic program. It will be a pleasure to be involved in continuing the wonderful traditions that make this school such a special place. In addition, I am thrilled to be part of a community that supports the students in their schools.

Throughout the past three years, I was the assistant principal at South Side Middle School in Rockville Centre. Prior to becoming an administrator, I taught first and fourth grades at Wilson Elementary School in Rockville Centre. In addition to my teaching responsibilities, I was the Co-Director of Community Education from 2001-2003.

Since my appointment as principal, I have met with the staff and community members, all of whom have been warm and welcoming. I am eagerly looking forward to the start of school in September and meeting the rest of our Maplewood Family! Please feel free to stop in to see me anytime. I greatly look forward to our partnership ensuring the success of every child.

With warm regards,

Vito D'Elia
Principal
